

SunFoam

New innovation of clear coat finishing

SunFoam is made utilising a fabric and foam structure to provide outstanding finish and even surface pressure. Special abrasive coatings on the fabric allows sanding and polishing at the same time to finish your work much faster. Ideal for working on curved and contour surfaces and web sanding.

TECHNICAL SPECIFICATIONS		APPLICATION				
Grain	Sunfoam – Aluminium Oxide, Sunfoam SC – Silicon Carbide					
Backing	Fabric on Foam	Automotive	Aerospace	Marine	Metal	Wood
Bond	Resin over Resin Coating Special coating on fabric					

150mm Red Foam Discs
